Exodus 17: 8-16

Jehovah Nissi

1. What resources do people around us draw on when times are difficult and confusing? What are the pitfalls of these sources?
2. (v11) Read Eph 6:10-12. How conscious are you of the battle we are in? What tactics does Satan use to get us to lay down our arms and lull us into believing there is no fight?
3. How important is the banner for an army? (*a focal point in the chaos, sign of unification and courage, rallying point, where the king is.*) The Lord is our banner. What does that mean for us?
4. Do you believe that God's prevailing power is released through prayer? How have you seen this in your own life? Give examples.
5. (v12) Why is it important that we pray with other Christians? What practical steps can you take to support others in prayer?
6. (v14) How do you remember the things God has done? What actions can you add to help you remember? How useful is a prayer journal? (Perhaps you could start one in your homegroup to keep a record of answered prayers.)
7. Read Rom 8:34, 1 John 2:1, Heb 7:25. In what ways do you think Jesus is interceding for you? How does this make you feel? How can we develop a constant conversation with Jesus?
